Everything we do is designed to achieve success for our clients quickly and efficiently.

LOOPER REED & MCGRAW PROVIDES TOP-LEVEL PARTNER attention in a full-service setting. With offices in Houston, Dallas and Tyler, the outstanding quality of the firm is reflected in the fact that 12 of our 80-plus lawyers have been named in this edition of *Super Lawyers*®.

It takes more than extensive knowledge of the law to generate the right results for a client's unique business needs and goals. Our philosophy is founded on the idea that we can serve as an extension of your company's executive team—business thinkers who offer premium legal advice and personalized service. We think beyond the traditional interpretations of the law to bring a new dimension for more efficient solutions. Whether

our client is an individual, small- or medium-sized business or a Fortune 500 corporation, we make your business our business.

Looper Reed & McGraw has extensive experience in energy, tax and estate planning, tax litigation (criminal and civil), international and corporate transactions, health care law, real estate, bankruptcy and representation of plaintiffs and defendants in complex business litigation and other sophisticated areas of practice. Looper Reed & McGraw is also one of the few full-service commercial firms with a highly regarded family law practice.

Few firms of any size can boast the expertise and reputation of Don Looper in international transactions; Jim Reed, Jim McGraw, Cary Gray, Sofia Adrogué, Scott Aston, Charles Sartain and Jim Ormiston in complex business litigation; George Rustay in family law; Norman Lofgren and Tom Rhodus in tax and estate matters; or Andy Meyercord in health care transactions.

We take this opportunity to honor our lawyers and their achievements, but even more importantly, we want to thank our clients, who honor us by trusting us with their business.
