*We are excited to feature Erica Raggett, the founder of A 2nd Cup. Established in 2012 to raise awareness of human trafficking issues in Houston, A 2nd Cup develops resources that help create a second chance for survivors. Erica is a former Teach for America teacher whose journey began 6 1/2 years ago when she heard a presentation on human trafficking. A 2nd Cup is a place where people can organize, collaborate, make an impact, or just make themselves at home in a modern café setting.*
